Tips for Incoming members:

- “Definitely give it a try - better than high school [model UN] equivalent for sure.”
- “This club is what you make of it: if you want to get really involved in the community, it will be a larger time commitment but the payoff and community are incredible. If you want to just be a general member and come to events when you want to, that works too.”
- “You get out of MUN what you put into it - it will reward your effort!”
