- “I love the community so definitely get involved!”
- “Be enthusiastic about research.”
- “A solid research community to be a part of at Stanford and can get exposed to a slew of opportunities and resources on campus!”
- “Join!!”
- “Don't be afraid to ask for help from older members of the team and/or reach out about any non-club related things (like courses, majoring, life, etc.)!”
- “Go to meetings because we get a lot of work done there.”
